To the Members of Orrville City Council and the Orrville City Administration,

On behalf of the Orrville Police Department, I am proud to present our 2025 Annual Report. This past year has been marked by meaningful progress, strengthened partnerships, and continued dedication to the safety and well-being of our community. Our officers and administrative staff worked tirelessly to advance department initiatives, enhance training, and expand the services we provide to the citizens of Orrville. In 2025, our department achieved several notable accomplishments:

- **Hostage Negotiation Recognition:** Ofc. Sottosanti was formally recognized for his exceptional negotiation efforts during a critical incident involving two juvenile hostages in Rittman, Ohio. Both juveniles were ultimately released with no physical injuries.
- **Officer Wellness Improvements:** Our newly remodeled gym was completed and incorporated into our officer wellness policy, reflecting our commitment to physical and mental well-being within the department. Since completion in January of 2025, the gym has been used by our members over 300 times. We also have 3 members who joined Support-85. The team is composed of Clinicians, Chaplains and First Responders throughout Wayne County. They serve current and retired first responders with one-on-one or group interventions to help aid them in critical incidents. Personnel are available 24/7 and their objectives are to ensure that our First Responders are the best they can be, not only in their respective communities, but in their family/personal lives.
- **24/7 Chaplain Service:** Through a partnership with the Wayne County Sheriff's Office, we implemented round-the-clock chaplain availability for officers in need of support.
- **Prom Promise Pledge:** In collaboration with four businesses, we launched the Prom Promise Pledge, offering prizes such as haircuts, spray tans, and manicures to encourage students to commit to safe, responsible behavior.
- **Special Response Team Advancement:** A new SRT van was placed into service, and our joint Special Response Team continued to train alongside the Wooster Police Department to maintain peak readiness for critical incidents.
- **Professional Recognition:** Ofc. Dan Sottosanti was named the 2025 CIT Officer of the Year for Wayne and Holmes Counties and Det. Ryan Mace was recognized as a nominee for Wayne County Children's Services Officer of the Year.
- **Officer of the Year & Collaborative Certifications:** We celebrated our 2025 Officers of the Year, Ofc. Dan Sottosanti and Ofc. Mike Smucker, and earned additional certifications through the Ohio Collaborative, underscoring our adherence to statewide best practices.
- **Leadership Development:** All officers completed leadership training through Lexipol, reinforcing our commitment to ongoing professional development and preparing our team for future promotional opportunities.
- **Technology Enhancements:** We purchased new drones and officially launched our drone program, enhancing situational awareness, officer safety, and evidence-gathering capabilities.
- **Personnel Growth and Mentorship Program:** We welcomed a new officer, Jorian Lehman, to the department, and launched a structured mentorship program to support new hires.
- **Facility Improvements:** The 2025 OPD remodel was started, creating a more functional, modern, and efficient workspace for our staff. We anticipate the completion early in 2026.

These accomplishments reflect a department focused on growth, preparedness, and community engagement. We remain committed to strengthening the trust of our citizens, investing in our officers, and partnering with local organizations and agencies to provide the highest standard of service. Thank you for your continued support of the Orrville Police Department. We look forward to building on this momentum in the year ahead.

Cory M. Seiler, Chief of Police
