Resolution 25-25

A Resolution authorizing the Public Utilities Board of Control to enter into an agreement or agreements, without bidding, for the purchase of Orrville Utilities Power Plant software controls simulator system for operator training, and declaring an Emergency.

WHEREAS, Due to regulated operating limitations, it is difficult for power plant operators to gain experience to meet the intermittent demands of operating the power plant; and

WHEREAS, Operating simulator training provides for more training opportunities for safe and effective operation of the plant; and

WHEREAS, Recent retires and inexperienced hires makes additional training critical.

BE IT RESOLVED by the Council of the City of Orrville, Ohio:

Section 1: That the Public Utilities Board of Control is hereby authorized to enter into an agreement/and or agreements for the purchase of Power Plant software controls simulator system for operator training.

Section 2: That this Resolution is hereby declared to be an emergency measure necessary for the immediate preservation of the public peace, safety, and welfare of said City, and for the further reason that development and implementation of the software will take several months to complete; therefore, this Resolution shall be in full force and effect immediately after its passage and approval by the Mayor.
