Resolution 37-25

A Resolution granting authority for the Director of Utilities to enter into a contract and/or contracts, without bidding, for the purchase and installation of an economizer tube bank and headers for Boiler 13, and declaring an emergency.

Section 1: The economizer tube bank is an essential part of the boiler unit's steam generation design to operate the electric steam-turbine generator.

Section 2: The economizer was last replaced in 1988, after 20 years in service.

Section 3: The economizer tube bank has reached the end of its useful life and the increasing number of tube leaks are impacting unit availability.

Section 4: Funds have been appropriated for this project.

NOW THEREFORE, BE IT RESOLVED by the Council of the City of Orrville, Ohio:

Section 1: That the Director of Utilities is further authorized to enter into a contract and/or contracts as may be necessary and appropriate for the purchase of an economizer tube bank and heads as set forth herein.

Section 2: That this Resolution is hereby declared to be an emergency measure necessary for the immediate preservation of the public peace, safety, and welfare of City of Orrville, and for the further reason that boiler maintenance and repairs, are essential to the functioning of the municipal utilities, and this Resolution shall become immediately effective upon receiving the affirmative vote of two-thirds of all members elected to Council and approval of the Mayor, otherwise from and after the earliest period allowed by law.

Passed this 15 day of September 2025.
